1.0 Rugby AU Codes and Policies

The effective governance and administration of rugby requires adherence to a wide range of codes and policies around safety & welfare, integrity, inclusion, member protection & child safety and privacy etc. Therefore, all matches shall be played in accordance with all [Rugby AU Codes, Policies and Procedures](#):

2.0 National Standard Competitions Rules

The National Standard Competitions Rules, as they appear herein, have been edited (where required) to reflect their application in the Rugby WA Competitions.

2.1 [Registration and Match Day – Rugby Xplorer](#)

- a. It is a mandatory requirement of Rugby Australia that all Players, Non-Playing Members and Match Officials are registered via Rugby Australia's [Rugby Xplorer System](#);
- b. It is a requirement of Rugby Australia that the Rugby Xplorer Competition Management System (CMS) is also used for all Sub Union Competition games, both Senior and Junior.

2.2 [Draw](#)

The competition will be conducted in accordance with a schedule of matches drawn up by RugbyWA prior to the start of the playing season and varied as necessary when required.

All games, wherever possible, in all competitions are to be played in an ascending order i.e. lowest to highest. Where this is not possible NO player who has started in a higher grade is permitted to participate i.e. start / reserve for a lower grade. In the event of games in the same round being played on different days e.g. rescheduled games due to wet weather, the selection of players must be the same as if all games in the same round were being played on the same day.

2.3 [Match Team lists, Scoring and Stats](#)

- a. It is the responsibility of both teams to act in terms of the following instructions:
 - i. All players and team officials (where required by the Competition) must be selected in their respective team list for the match;
 - ii. All details of point scorers are to be recorded.
 - iii. All players (both teams) who have either been temporarily suspended (yellow card) / sent from the field of play (red card) / have a suspected concussion (blue card) are to be recorded.
 - iv. All movements of players (outside of the above) for injury due to blood or tactical reasons are to be recorded (where required by the Competition)
 - v. The match day scoring, and stats can be entered by ONE team
 - vi. The referee is to confirm the result of the game by confirming on the Match Day App for both teams in the presence of both teams.
 - vii. All clubs must enter the team list scoring and stats of all games online via Match Day App by no later than noon on the first working day, usually Monday following completion of the game. NOTE: Competitions reserve the right to require this information earlier than this timeline.
- b. Information entered must include:
 - i. All players' details including substitutes;
 - ii. Team Officials' details (Coach, Manager and Ground Marshal)
 - iii. Result of the match;
 - iv. Point scorers;
 - v. Tries;
 - vi. Conversions;
 - vii. Penalties;
 - viii. Drop Goals;

- ix. Penalty tries;
- x. All players temporarily suspended (yellow card);
- xi. All players sent from the field of play (red card);
- xii. Players who have a suspected concussion (blue card).

c. Information entered may include:

- i. Player's movements for injury (blood or otherwise) or tactical reasons.

PLEASE NOTE: Clubs failing to follow the procedures are liable to receive penalties in relation to Competition points.

2.4 [Competition Points](#)

a. Where matches are awarded Competition points the following standard points shall be used:

- Points for a win – four points.
- Points for a draw- two points.
- Points for a loss – zero points.
- Points for a bye (where applicable)- zero points.

N.B. Unions may choose to amend the standard points based on the game format and/or structure of the Competition.

b. Bonus points may also be awarded as follows:

- Points for loss by seven points or less – one point.
- Points for scoring three tries or more than your opponent – one point.

c. Competition Points may also be deducted as determined and documented by the Union for the competition e.g. a player not added to the team list that played in a match.

2.5 [Ladder Positions \(for Competitions with Premierships\)](#)

(a) Positions in the ladder are determined on the ladder sorting options applicable for the Competition. In the event of two or more teams being equal on Competition points (total match points), for any position, the higher placed team will be determined on the ladder sorting options chosen, these include:

- i. Total Match Points (#1 option)
- ii. Points difference
- iii. Points for
- iv. Points against
- v. Matches won
- vi. Matches lost
- vii. Matches drawn
- viii. Bonus points (total)
- ix. Bonus points (+3T)
- x. Bonus points (-7P)
- xi. Total tries
- xii. Try difference
- xiii. Score ratio
- xiv. Points ratio
- xv. Match win ratio %

2.6 [Forfeits](#)

a. In senior rugby a forfeit in any higher grade will result in an automatic forfeit in the lower grade(s) in the same round.

b. A match forfeited by a Club will be regarded as having been won by the opposing Club on the day on which the match, would have been played. The match will be awarded as twenty-eight points to zero points victory to the non-forfeiting team with a 3+T bonus point (5 total match points).

An additional penalty for a forfeit may be imposed at the discretion of the RugbyWA Operations Manager and CEO limited to the loss of Competition points and a formal competition show cause notice.

Where both teams forfeit, no Competition Points will be awarded.

c. A Club that forfeits two (2) games in the same grade in the same season will be issued a Show Cause Notice for why its team should remain in that grade. Special consideration regarding sanctions may be made by Rugby WA if forfeits are recognised as unavoidable.

d. In the case of a Club withdrawing a team(s) from the Competition, match points ("for and against") in all Matches of such team(s) shall not be counted, and any competition points shall be cancelled.

e. RugbyWA may impose further penalties on Clubs for withdrawing teams from the competition.

f. The team responsible for the cancellation of a match will be considered the team to forfeit the match. Allowance for a nil all draw may be considered by Rugby WA if forfeits are unavoidable. Clubs will need to demonstrate to Rugby WA that a forfeit was unavoidable. The expectation is that Premier grade is backfilled with players from 2nd grade and then 3rd grade with rule 2.6a still in effect. Therefore, it is unlikely that a premier grade team would qualify for a nil all draw unless 2nd and 3rd grade have also been forfeited. Matches cancelled by Rugby WA due to State Government recommendations or mandates will not incur any penalty.

g. There will be no refund of player registration fees from Rugby WA or Rugby Australia for players of a team withdrawing from a Competition.

2.7 [Postponed / Abandoned Matches](#)

a. If the venue of a match or matches is unavailable for any reason, it will be the responsibility of the "home" club to advise the Competition Manager immediately the ground is considered unplayable or doubtful of being playable.

1. RugbyWA, after consultation with the clubs involved, will direct how the abandoned match will be dealt with.

b. In the event of a match having to be abandoned for any reason beyond the control of match officials, the following procedure will apply:

1. Where a match has been abandoned during the first half the result will be declared a draw and no points for or against will be awarded.
2. Where a match has been abandoned during half time or during the second half the result will be the score at the time the match is abandoned.

c. In the event of a match having to be abandoned for any reason involving unacceptable behaviour on the part of players or any other persons, or any other similar reason, RugbyWA shall determine if any penalties will be imposed on the competing teams. It should be noted that any such action taken

under these rules shall not prevent (and may run in parallel with) other action that is deemed unnecessary under the Disciplinary Rules, Code of Conduct or other relevant WR or Rugby Australia regulations, codes, policies, or rules.

2.8 Playing Field

a. Clubs hosting matches played under these rules shall comply with the [RA Medical and First Aid Requirements](#)

b. With respect to medical requirements, both teams are responsible for ensuring that matches are not played if all the requirements relating to medical care are not in place. Reference should be made to the Rugby Australia Medical and Safety Recommendations for further information. This shall include compliance with any COVID-19 medical directives given by Rugby WA and State Government policy.

3.0 Law and Regulation Clarifications

3.1 [Law 3 - Number of Players – The Team](#) (number of replacement / substitutes players).

Rolling Replacements - World Rugby Law 3.34 is mandatory across all domestic rugby played in Australia:

- a. Unlimited rolling replacements applies to all rugby aged U19s and below.
- b. Rolling replacements, with a maximum of 8 movements applies to all senior rugby, except the lowest grade of any division/competition where the maximum number may, at the discretion of the local Union, be 12. Replacements due to blood injury, concussion, or injury due to foul play do not count in the designated number of movements. Please see the diagram under 8.0 Nominated Players and Number of Movements allowed for each grade for examples.

Law 3.27 i.e. Temporary Replacement – Head Injury Assessment (HIA), **DOES NOT APPLY AT ANY LEVEL.**

N.B. Unions may submit a request to the Law Advisory Group to play standard Law 3 (at any level of the game). Requests must be submitted on the Local Law Submission form.

3.2 [Uncontested Scrums](#)

a. It is recognised that on occasion and due to circumstances, such as unavailability of players starting the match, or that an injury or incident during a match may make contested scrums not possible. Therefore, the following Laws are applicable:

- i. Law 3.13 – 3.20 (inclusive)

N.B. Law 3.17 does not apply to those Competitions that do not nominate the number of players or nominate 15 players.

b. If circumstances determine that the match should have uncontested scrums, Member Unions may determine whether any penalties are to be imposed in relation to that match and may have regard to the penalties referred to in paragraph 2.11 above.

c. World Rugby Law 3.16 allows Rugby Australia to implement, at its discretion, a mechanism to discourage uncontested scrums by having a team play short of players if they cause uncontested scrums. Note. This is not applicable to Kids Pathway laws. Any Union or Affiliate planning to implement this Law must use the approved language set out below in their Competition Rules: There must be sufficient players to play in the front row to ensure that on the first occasion that a replacement hooker is required, and on the first occasion that a replacement prop forward is required, the team can continue to play safely with contested scrums. Should a team not be able to meet this obligation for any reason during a game, or should a team not have three suitably trained front row players to commence a game with contested scrums, then the team concerned must play with one player fewer than would otherwise be allowed.

If, subsequently, a qualified front rower becomes available so that scrums can be contested then that player will be allowed onto the field and the team may return to the appropriate complement of players. If neither team has suitably trained front row players to start a game with contested scrums, the above arrangements do not apply to the game, even if qualified front rowers subsequently become available.

3.3 [Regulation 4 – Player Status, Player Contracts and Player Movement](#)

a. International Clearance

i. The international Player Clearances Policy within Rugby is set out in WR Regulation 4.6.1 and provides:

1. A Player leaving their current Union to play in another Union shall not be registered or eligible to participate in competitions organised, recognised, or sanctioned by that new Union until they have an endorsed International Clearance.
2. Therefore, Players wishing to play within another International Union are required to complete the [Rugby Australia International Clearance Form](#).
3. For or Incoming International Clearances (i.e. Players arriving in Australia), please contact the Union you are currently registered with to understand their International Clearance process and obtain, complete and return their current application form.

b. Domestic Clearance

This relates to club-to-club player movements for currently registered players. It is a requirement for a currently registered player registering in the same season to another club for the same or different registration type. Restricted at XVs, 10s, 7s and Veterans registration types in competition rugby only. The player cannot register unless clearance approval is granted by their 'from' Club and Association.

4.0 Member Union Standard Requirements

Role of the Union

4.1 Subject to 4.2 the Board has the power to make new rules and to add to, delete, amend or otherwise vary the rules at any time and in the manner and to the extent the Union may determine subject to the notification requirements under Rule 4.3.

Lead Area:	Competitions and Operations
Lead Procedure Title:	PLAYER & PARTICIPANT CLEARANCE & TRANSFER PROCEDURE
Procedure Reference No:	RWA8
Adapted by:	ML
Date last modified:	4 th March 2024

SCOPE OF RESPONSIBILITY

- This procedure is to be followed by all clubs when clearing a player, or participant, to your club or to another club. All clearances must be in accordance with Rugby Australia's regulations on transfers and clearances.

OTHER INFORMATION

- If the SCC is satisfied (on reasonable grounds) that a player or coach or club, that is seeking a clearance and/or transfer pursuant to this procedure, knowingly provided RWA with false or misleading information or documentation, then the SCC shall have the power to suspend that person or that club from participating in the 2024 competition for such period and on such terms as the SCC may (in his/her absolute discretion) determine to be appropriate.
- **No senior player who is financially indebted to a club or to the Union will be eligible to get a clearance for registration to another club.**

 - 2. NEW club
 - 3. CURRENT parent association
- All changes to transfer and clearance processes will result in an 'Audit' record/Player Movement Report that is accessible by the club and both PARENT associations.
- If more information is requested by any party, the request essentially goes back to the prior status, and the clearance process has to restart.
- Before 'TRANSFERRING' a person record, please ensure that you are aware of any

other requirements (current registration, financial and judicial history) that may apply. The onus is on the club to ensure the player has gained approval from their current parent association and is allowed to be transferred.

RWA 14 Send Off Policy & Judicial Process

Lead Area:	Community & Game Development
Lead Procedure Title:	SEND OFF POLICY & JUDICIAL PROCESS
Procedure Reference No:	RWA14
Adapted by:	ML
Date last modified:	4 th March 2024

OVERVIEW

This Procedure is governed by Rugby AU's Disciplinary Rules 2024 and does not supersede/override these Rules. This document sets out the procedures and provisions for disciplinary matters, with the aim of providing an outline of how Rugby AU's Disciplinary Rules are applied and ensure a consistent approach to disciplinary proceedings and ultimately ensuring a fair and safe playing environment for all participants. A summary flowchart of the procedure is included as Annex A to this procedure.

SCOPE AND APPLICATION

This policy sets out the procedures for dealing with the following matters:

- when a Player has been temporarily suspended (Yellow Card).
- when a Player is sent off the playing enclosure (Red Card);

PROCEDURES – YELLOW CARDS (YC)

Match Day.

If a Player is issued a YC by a referee during a match the player must remain with the sideline official or if there is no side line official with the player's team manager for a period of ten (10) minutes and will not re-enter the field of play until expressly permitted to do so by the referee. The ten (10) minute suspension *excludes half time and any injury time*. The referee or their nominated delegate will keep, and be the sole arbiter of, the time for which a suspended player is off the field.

All YC's must be recorded on Rugby Xplorer prior to signing by the referee. Any failure to do so will leave the player and the club liable to such penalty as the Union may designate. All YC's from each match are to be recorded on Rugby Xplorer along with the basis for the YC, i.e. repeated team infringement or foul play.

Yellow Card challenge

A player who receives a YC, or their club on the player's behalf, may give written notice challenging that YC by 5.00pm Monday following the match in which the YC arose. Such notice must detail the basis of the challenge.

The player/club's notice will be recorded by RWA and will be considered by the Judicial Officer or the Judicial Committee.

Multiple yellow cards

If a player receives three (3) YC's in a season they will automatically miss the next scheduled match, unless the player gave notice in accordance with paragraph 3(b)(i).

To discourage further accumulation of YCs during the season, if a player accumulates another two (2) YCs they will be automatically suspended for one (1) match and will be required to attend a hearing before the next convened Judicial Committee to determine whether any additional sanction is appropriate.

For each YC thereafter, the player is automatically suspended for one (1) match and will be required to attend a hearing before the next convened Judicial Committee to determine whether any additional sanction is appropriate.

In relation to the counting of multiple yellow cards during the season:

- If a player receives two YC's in one match and is sent off as a result (i.e. red card (RC)) those two YC's will instead be a RC; and
- If a player is cited and subsequently sanctioned from an incident that gave rise to a YC, this incident will be classified as a citing and not as a YC.

PROCEDURES – RED CARDS (RC)

Send Off.

If a player is sent off by a referee during a match (i.e. RC) they must leave the field of play and take no further part in that match or in any other matches *UNTIL* they have had their matter dealt with by the Judicial Committee.

A player who has received a RC is, without further notice, provisionally suspended from playing Rugby. The player ordered off is required to attend the next constituted meeting of the Judicial Committee to have their matter heard.

Pre-Hearing.

Whenever a referee issues a RC in any match they will, upon completion of their match notify, by text, the referee admin person and SCC as to how many RC's they have issued in the match. This ensures the disciplinary procedures can commence in a timely fashion.

The referee shall lodge their send-off report(s) with RWA by 12.00pm Monday following the match.

After receiving the referee's report, the appointed Judicial Officer (a RWA Judiciary Member), will consider the report and if they assess it to be at the lower end entry point of two weeks or less, based on scale of seriousness of player's conduct, the Duty Judicial Officer may offer an 'Early Admission of Breach Sanction'.

A player offered an 'Early Admission of Breach Sanction' must decide whether to accept the early admission of breach sanction. A player accepting an Early Admission of Breach Sanction accepts that they committed the act of Foul Play for which they have been charged.

If offered an Early Admission of Breach Sanction the player, and/or their club, must advise RWA in writing no later than 12:00pm on the Wednesday following the incident.

If the player is not offered or does not accept an Early Admission of Breach Sanction, the player will be required to appear before the Judiciary Committee at the time nominated for the hearing of the charge.

Video Footage.

RWA will arrange for any video recording commissioned by RWA to be provided as soon as reasonably practicable to the Judicial Committee who will adjudicate on the case.

Each Rugby Body involved in the match the subject of an ordering off must arrange for any video recording commissioned by the Rugby Body (whether on a formal or informal basis) to be provided as soon as reasonably practicable to the Judiciary Committee, who will adjudicate the case. If no video footage can be provided, the President or Secretary of the player's club must confirm in writing to RWA by 5.00pm on the day of the hearing confirming that no such footage exists. Failure to comply with this obligation may result in the Judicial Committee assuming that incriminatory video evidence has been deliberately withheld or destroyed.

Hearing & Decision.

Pursuant to the Laws of the Game, the referee is deemed to be the sole judge of fact as to the events which occur on the playing enclosure (unless there is compelling evidence to the contrary).

The standard of proof for all matters is the balance of probabilities, unless otherwise specified.

The function of the Judicial Committee shall be to consider the circumstances of the case and determine what further sanction, if any, should be imposed on the player.

Except in clear cases of mistaken identity, the Judicial Committee may decide upon only one of the following courses of action:

- Expunge the RC or YC from the player's disciplinary record;
- Take no further action and let any on field decision(s) stand;
- Caution or severely caution the alleged offending participant as to their future conduct; or
- Impose a sanction, including, but not limited to suspension of the alleged offending participation.

The participant must be advised, without delay, of the decision of the Judicial Committee that conducted the hearing.

The Judicial Committee must provide a report of the decision to RWA within five (5) business days after the hearing.

Any appeal against a decision of the Judicial Committee must be done in accordance with RWA** - Appeals Procedure

OTHER PROCEDURES

If a player refuses to comply with the directions of a referee when the player is sent off the field:

The match may, at the referee's discretion, be immediately awarded to the opposing team as if the match had been forfeited by the team for which the refusing player was playing; and

The player in question will be suspended from playing any match until their case has been decided by the Judicial Committee. Their refusal to leave the field of play will also be considered and taken into account and may be considered by the Judicial Committee as a separate matter.

Failure by RWA and/or a referee to comply with timeframes or other administrative matters, does not invalidate the proceedings against any player.

Lead Area:	Competitions and Operations
Lead Policy Title:	FINALS ELIGIBILITY & DISPENSATION POLICY
Policy Reference No:	RWA18
Adapted by:	JM
Date last modified:	4 th March 2024

SCOPE OF RESPONSIBILITY

- The underpinning philosophy of this Policy is to ensure each team playing in the finals series is a true reflection of that team throughout the season, as well as allowing players who do not qualify due to injury/illness the opportunity to provide evidence to obtain finals eligibility dispensation.

Policy

- To be eligible to play in the finals series, players must meet the following criteria:

Step	Policy	Responsible
1	QUALIFICATION: A player is registered with the club and has competed for the club in at least one third of matches during the home/away rounds in the regular season. (i.e. if 22 rounds, they must have played 6 matches in separate rounds). This includes all scheduled round matches (does not include General Byes).	Player Team Manager Club Official
1.1	In the event a player has played across numerous grades, the grade qualified for will be determined by RugbyWA based on the average of the total games and the grades played. Examples include: A player plays 1 st grade – 6 matches, 2 nd grade – 6 matches, 3 rd grade – 6 matches. Player is graded to 2 nd grade. A player plays 1 st grade – 9 matches, and 2 nd grade – 9 matches. Player is graded to 1 st grade. A player plays 1 st grade – 7 matches, 2 nd grade – 5 matches, 3 rd grade – 4 matches. Player is graded to 2 nd grade.	RWA
1.2	Contracted Western Force (WF) players, may qualify for finals if they have played a minimum of four (4) matches through the regular home and away season. Notwithstanding this clause, the availability of WF contracted players will remain the responsibility of the Western Force staff to determine.	WF Staff SCC

1.3	Furthermore, for the purpose of Step 1, any player unable to play for their club due to state, provincial or other representative commitments required under the auspices of RugbyWA, will have been deemed to have played a match for the most senior team (applicable to their age group) in their club during the relevant period for which they were unable to play due to those commitments.	SCC
2	<p>MATCH GRADING: If a player plays more than one match as a starting player in any competition round, they shall be graded for the purposes of Step 1 according to one match only, which shall be the match of the highest grade in which they played as a starting player during that round. For this purpose, the order of grading shall be:</p> <ol style="list-style-type: none"> 1. FMG Premier grade 2. FMG Reserve grade 3. Belt Up Colts grade 4. FMG Third grade 5. FMG Championship 6. FMG Community Grade & Fourth Grade 7. ATA Women's 8. Any other competitions 	Team Managers Club Officials
2.1	<p>If a player does not take the field as a starting player in any match but nonetheless takes the field in one or more matches in a competition round as a permanent replacement or substitute, they shall be graded for the purposes of Step 1 according to one match only, which shall be the match of the highest grade in which they participated as a permanent replacement or substitute during that round.</p> <p>For this purpose, the order of grading shall be as if the player was a starting player:</p> <ol style="list-style-type: none"> 1. FMG Premier grade 2. FMG Reserve grade 3. Belt Up Colts grade 4. FMG Third grade 5. FMG Championship 6. FMG Community Grade & Fourth Grade 7. ATA Women's 8. Any other competitions 	Team Managers Club Officials

2.2	<p>Due to the staggered season start dates for the 2024 season the following rule will be applied when assessing player eligibility in Colts and 4th Grade.</p> <p>When assessing player appearances for Colts and 4th grade in regard to finals eligibility. Appearances for Colts and 4th Grade will only be assessed in rounds where there were Colts and 4th Grade fixtures.</p> <p>For example: if a player makes an appearance early in the season in Reserve grade where there was not a Colts or 4th grade fixture, that appearance will not negatively affect their Colts or Fourth Grade appearances come season end. That appearances will however count toward finals eligibility in that grade.</p> <p>As per point 2, if a player starts at a higher grade in a round where there is a Colts and 4th grade fixture, the player will be graded at the higher-grade appearance.</p>	<p>Team Managers</p> <p>Club Officials</p>
3	<p>“OPEN SELECTION”: Not withstanding any of the foregoing provisions of this policy, a club with teams playing in successive grades in finals series matches, may select starting players and reserves for each such team from all of its players that are graded as eligible to play for any of those teams.</p>	<p>Club Director of Rugby</p>
